2024 Annual Meeting Abstract/Poster Submission Guidelines

Trainees (residents, fellows, and trainees in postgraduate nursing or physician assistant programs) from all programs in Connecticut are invited to submit an abstract for the poster session at the 2024 Connecticut Chapter of the American College of Cardiology annual meeting, which will be held on April 24, 2024, at the Waterview in Monroe, CT. Abstracts may be submitted in one of two categories: original research (basic, translational, or clinical) or case vignettes. Accepted abstracts will be presented as a poster or oral presentation.

- The first line of the abstract should contain the title of the abstract in all capital letters
- The second line of the abstract should include the names and highest degrees for all authors with superscript numbers indicating hospital/program affiliations
- The first listed author MUST be the presenting author
- The third line of the abstract should list the affiliations indicated by the superscripts
